**Acting Now To Fix the Debt: A Discussion About our
Fiscal Future**

Fix the Debt is a non-partisan, national effort founded on the belief that our growing national debt is a serious threat to the economic well-being of the United States and that a comprehensive plan that puts our debt on a downward path is essential to our future.

With over \$1.5 billion in assets under management, Jim has 30+ years experience managing money for high net worth individuals and institutions. Jim focuses on equity research, portfolio hedging strategies and new business planning development. Jim heads the Spiro Group at Morgan Stanley where his team has maintained a continuous commitment to long-term client relationships, exceptional client service, and assistance in achieving financial objectives. Jim has been named a 2013 REP Magazine Top 100 Advisor in America; a 2014 & 2015 Financial Times Top 400 Financial Advisor, and was listed in the 2014 & 2015 Barron's Top Advisor Directory. All 3 are among the most respected publications in the Industry.

To request a presentation discussing the gravity of our National Debt as well as potential solutions, please contact Jim at james.m.spiro@morganstanley.com
